NAACSOS 2007 Conference
Atlanta, Georgia

PreConference Tutorials: June 7, 2007
Conference Sessions: June 8 - 9, 2007

Key Dates:
- Paper Deadline (6 pages max): February 9, 2007
- Notification to Authors: March 8, 2007
- Final Copy Due: April 6, 2007
- Early Registration Ends: May 1, 2007

NAACSOS Registration Fees:
- Members:
  - Faculty: $175
  - Student: $100
  - Others: $250
- Non-Members:
  - Faculty: $275
  - Student: $150
  - Others: $350
  - Fee includes $100 ($50 student) membership]
- Late registration: +$50 [++$20 per tutorial]

Agent Modeling/DNA Tutorials (June 7):
- [NetLogo, Repast, MASON] [Dynamic Network Analysis]
- Students ($80/1, $125/2), Faculty ($100/1, $150/2), Others ($150/1, $200/2)

Topics:
- Mathematical and computational methods applied to social-organizational contexts, such as:
  - agent-based, systems dynamics, numerical simulations; agent-based tools and technologies
  - social network theory, simulation & analysis
  - herd-crowd-foraging mechanisms
  - epidemic modeling & dynamical mass behaviors
  - geo-spatial modeling & analysis; complex systems
  - micro-macro linkages for group phenomena
  - market modeling, computational economics
  - political-policy modeling & analysis
  - bioterrorism & situational awareness
  - organizational & group structure simulations
  - social influence & information dissemination models, artificial life models, industrial applications
  - emergence of norms, trust, reputation in groups

Details at Website open Nov 15, 2007:
- General contact: naacsos2007@bus.emory.edu

Conference Chairs:
- Michael Prietula, Goizueta Business School, Emory University
- Vicki Hertzberg, Rollins School of Public Health, Emory University
- Richard Burton, Fuqua School of Business, Duke University

Program Committee:
- Maarten Sierhuis, NASA Ames
- Glenn Taylor, Soar Technology
- Elliot Bendoly, Emory University
- Benn Konsisky, Emory University
- Neil F. Johnson, Oxford University
- Bill Rand, Northwestern University
- John Lavery, Army Research Office
- M. Azaf Ualp, University of Toledo
- Filippo Castiglione, IAC Rome, Italy
- Rob Axtel, George Mason University
- David Sallach, University of Chicago
- Katya Drozdova, New York University
- Greg Madey, University of Notre Dame
- Robert Reynolds, Wayne State University
- Terrill Frantz, Carnegie Mellon University
- David Ostrowski, Ford Research Laboratory
- Henry Hexmooor, Southern Illinois University
- Kathleen Carley, Carnegie Mellon University
- Cliff Joslyn, Los Alamos National Laboratory
- Gregory Todd Jones, Georgia State University
- Amy Henninger, Institute for Defense Analyses
- Michael North, Argonne National Laboratories
- Claudia Cioffi-Revilla, George Mason University
- Sheen Levine, Singapore Management University
- Peter Gloor, Massachusetts Institute of Technology
- Akira Namatame, National Defense Academy, Japan
- Janise Richards, Center for Disease Control & Prevention
- Bobby Milstein, Center for Disease Control & Prevention
- Paul Feltovich, Institute for Human & Machine Cognition
- Irma Becerra-Fernandez, Florida International University
- Kristian Lindgren, Chalmers University of Technology, Sweden

International Representatives:
- Takao Terano (PAAA President), Tokyo Institute of Technology
- http://www.paa.information.kyoto-u.ac.jp/PAAA_main.html
- Wander Yager (ESSA President), University of Groningen
